EDUCATION

B.Sc. (Honours) in Statistics
Department of Statistics and Data Science
Pabna University of Science and
Technology, Bangladesh
CGPA: 3.15/4.00
Graduated: 2026
Medium of Instruction: English

LANGUAGE

- English:** Proficient
IELTS: Planned for November 2026
- Japanese:** Beginner
JLPT N5 candidate December 6, 2026
- Bengali:** Native

ABOUT ME

Statistics graduate with research experience in statistical modeling, data science, machine learning, and health data analysis. Experienced in analyzing large-scale survey data and applying statistical and machine-learning methods to research problems.

RESEARCH EXPERIENCE

Undergraduate Researcher | Data Analysis & Machine Learning

- Statistical & Predictive Modeling:** Conducted research using statistical and predictive methods on real-world survey and health data.
- Data Analysis:** Experienced in data preprocessing, statistical analysis, visualization, and interpretation of results.
- Machine Learning:** Applied classification and predictive modeling approaches to research problems.

PUBLICATIONS & PRESENTATIONS

- Conference Presentation:** First Author & Oral Presenter, **EFAST 2026**; abstract published in the conference abstract booklet.
- Journal Manuscript:** *Socioeconomic and Health-System Correlates of Cesarean Delivery in Bangladesh: Survey-Weighted Statistical Analysis and Explainable Machine Learning Using BDHS 2022*. Submitted to *Scientific Reports* (Springer Nature).

RESEARCH INTERESTS

Applied Statistics | Biostatistics & Epidemiology | Data Science & Machine Learning | Health Data Science | Time Series Analysis & Causal Inference | Population Health

SKILLS

- Data Analysis:** Excel, Python, R Programming & SPSS
- Data Management:** Data cleaning, validation & large-dataset handling
- Data Visualization:** Excel & Power BI for visualization and dashboards
- Reporting & Documentation:** Structured reporting and documentation
- Office Tools:** Microsoft Word & PowerPoint
- Communication & Teamwork:** Effective communication and collaboration
